

Spreading Joy Enhancing Lives

DUTRON Drain
Underground Drainage
PVC-U Pipes (Self-fit type /
Ring-fit type) are manufactured
as per IS 15328. These pipes are
available in sizes from 110 mm to 400 mm with
different stiffness classes. They come with solid
wall and are compatible with regular PVC
fittings. **DUTRON Drain** pipes are supplied
with one side socket ends and in Orange
(Golden Brown) colour.

Salient Features

- Specially designed for underground non-pressure applications
- Easy to install
- Hygienic and leak-proof
- Smooth inner bore for better flow rate of water
- Lower installation & maintenance cost as compared to conventional pipes
- Excellent stiffness and impact resistance
- Ease of jointing when using uPVC joints & fittings
- Available in 6 mtr lengths

Dutron Group Products
